# **Special Events & Entertainment**

To enhance the market and to provide added value for our customers, we will seek to schedule various forms of entertainment and activities throughout the market. These have proven to add to the overall atmosphere of the market. We welcome your suggestions or ideas for special events or entertainment.

# **Sheridan Farmers Market Admissions**

The Farmers Market is a combination of Grower/Producer Vendors, Food Vendors, and Handmade Arts and Crafts Vendors. Because the Sheridan Farmers Market is built around the number of Grower/Producer vendors, our primary emphasis will be on these vendors.

Craft vendors are admitted to the market after a review by Market Managers. Crafts must be hand made by the vendor wishing to sell their craft, to be considered. Craft vendors will then be admitted with a limit on the number of similar products.

Food vendors will be admitted based on the type of product needed at the Farmers Market. We will look at the different types of food being offered and determine what types will enhance the market and be the most attractive to our customers.

\*\*\* When admitting vendors, preference is given to vendors that have supported the market in the past. These vendors have supported the market in past years and have proven that they are willing to attend the market, pay their fees, and be supportive of the policies and procedures. These vendors are admitted first during the application process. Once these vendors have been admitted, the remaining spaces are assigned to new vendors. We reserve the right to refuse admittance to any vendor that we feel does not meet the eligibility requirements.
