

Thank you for participating in the summer's first 3rd Thursday Street Festival! The festivities begin at 5pm on Thursday, June 18. Attached is a vendor list showing your booth number as well as a map of the space locations as they correspond to Main Street.

All odd numbered booths are on the west side of Main Street. All even numbered booths are on the east side of Main Street.

If your booth is between 1 and 44, please enter the area from the Alger and Main intersection.

If your booth number is odd between 45 and 131, please enter from the West Brundage and Main intersection.

If your booth number is even and between 46 and 134, enter at either S. Main and Loucks, E. Brundage and Main Street, or the Mint Alley, whichever is closer to your spot.

All booths starting with G are located in Grinnell Plaza and should be entered at Grinnell & Gould.

Remember, Main Street closes at 4pm. Please find your booth and unload your vehicle. Remove the vehicle to a parking space off of Main Street and return to finish setting up. No vehicles will be allowed in or out of Main Street between 5pm & 9pm. Enjoy responsibly and please, for the protection of all, leave your pets at home.

Respectfully,

Chad Franklin
